

ANIMALS AS NATURAL THERAPY

Transforming our community, one life at a time

Mobile ANT – Corporate Program

Mobile ANT provides a unique opportunity for people of all ages to experience the joy of animal interaction. We are proud to offer fun, meaningful, & therapeutic animal experiences for your guests, employees, and events.

These experiences can help to:

- reduce anxiety
- promote socialization & engagement
- decrease feelings of isolation
- improve focus & concentration
- offer comfort & emotional support

WHAT YOU NEED TO KNOW

We offer animal experiences up to 5 hours per day, with regular breaks for both staff & animals. Animals available include: rabbits, dogs, chickens, goats, & miniature horses. We provide baskets & towels for guests to hold rabbits & chickens; dogs, goats & horses will be leashed/haltered and handled by staff.

Before we confirm an event, we will ask for the details of your location or event space and let you know what accommodations we may need. Our programs can be provided indoors or outdoors (with some temperature & shade restrictions).

We provide a large turf & metal fence/enclosure. We ask that the client provides chairs or stools for guests to sit on in the animal pen. Our set-up & cleanup typically take 25-30 minutes each, depending on the location. We require parking space for a cargo van, and access to the vehicle during the event.

We provide hand sanitizer stations and suggest that all visitors wash or sanitize hands before & after handling our animals.

IMPORTANT INFO

We do not tolerate the intentional taunting or abuse of our animals, and any person who continues to do so after being corrected will need to be removed from the animal pen. Interaction between guests & our animals will be entirely at the discretion of our staff, and based on the animals' wellbeing. Please keep dogs or other pets away from our animals.

ANT reserves the right to make "day of" decisions in regard to animal health and/or safety – we may occasionally determine that an animal is not up for handling on a particular day.

All permissions and permits that may be required are the responsibility of the client to obtain in advance. ANT holds liability insurance for this program and can provide a copy upon request.

FEES & PAYMENTS

Pricing & fees depend on location, length of event, and number of attendees. Travel & accommodation (if necessary) are factored into our fee. Please contact the Mobile ANT Coordinator for a quote.

A 50% non-refundable deposit is required at the time of booking. The remaining balance is due upon completion of the program. Unfortunately, refunds cannot be given. If you cancel your event, ANT will issue a credit toward another animal visit within one year from the date of issue.
